- [1] note only one Case Study can be applied towards the Concentration Electives.
- [2] cross-listed course in History (3400:307 Ancient Near East) can also be used.
- [3] can be counted as either a Core course or a Concentration Elective, but not both.
- [4] cross-listed courses of the same name in Geology (3370:407) and Geography (3350:409) can also be used.
- [5] students may only earn up to 6 credits towards the Concentration Electives. Note: some past 3230:472 courses count towards the Biological Concentration electives, not the Cultural Concentration electives.
- [6] note this course does not count towards the 47 credits required at the 300-/400-level for the College of Arts and Sciences.
