Andante moderato

Lord I Call Upon Thee

Resanovic

 Serbian chant : Tone 1

Lord I call upon Thee, hear me!

Hear me, O Lord! Lord I call upon Thee, hear me! Receive the voice of my prayer, when I call upon Thee!

Hear me, O Lord!
Let my prayer arise in Thy sight as incense. And let the lifting up of my hands be an evening sacrifice. Hear me, O Lord!
All creation was changed by fear when it saw Thee hanging upon the Cross, O Christ.

The Sun was darkened and the foundations of the earth were shaken.

All things suffered with the Creator of all.
Lord Who didst willingly endure this for us,

Why do they put to death the Life of
all? O wonder! The Creator is betrayed to

lawless men! The Lover of man is nailed to a

Cross, that He may release the prisoners of

hell who cry: O long

suffering Lord, glory to Thee!

Serbian chant: Tone 6

How does the law-less assembly kill the King of creation, not remembering His gracious acts!

He even called them to remembrance saying: what have I done to you, my people? Have I not worked wonders in
all of Judea? Have I not raised the dead by a word? Have I not healed all manner of sickness? How do you now reward me?

Why do you forget me? For healing others, you wound me! For
raising the dead, you crucify me! For being gracious, you call me a thief! For giving the law, you call me lawless! For being King of creation, you condemn me! O long-suffering Lord, glory to Thee!
