To Whom It May Concern:

This letter documents that Susan Martin spent 7 hours during the months of November and December 2014 in the Twinsburg School District working in conjunction with the Director of Curriculum and the Technology Resource Assistants in several of our schools: Dodge Intermediate School, Bissell Elementary School, and Wilcox Primary School. During her time here, Susan observed students in grades K-4 in the computer labs of each school, and she observed ninth graders practicing the online PARCC assessments.

Thank you,

Jennifer Farthing
