In this assignment you will identify your chosen topic for the final paper, Social Action Project. This proposal will allow you to begin thinking about your final project. This proposal should be taken seriously and your topic should be well thought out.

In three short paragraphs describe your chosen social justice, socioeconomic or political issue that is of concern for you (3 pts). Describe one social movement organization that is currently or has in the past worked on your chosen issue (3 pts). Finally, briefly described one thing you would do differently if you designed a social movement (3 pts).

Grammar and organization (1 pts).

Your proposals will be graded and I will give you suggestions as to the content of your final paper. Please note that for your final grade on your Social Action Project, I will take into consideration how well you apply the comments made regarding your proposal.

Papers should be one page in length and typed, double-spaced using Times New Roman 12-point font. Laptops can be checked out at the student union and the library.
